

Due to space and other restrictions, UWA is not able to provide a parking permit to all of its 27 000+ students. As a result, UWA has had to apply strict eligibility criteria to obtain a permit (<http://www.transport.uwa.edu.au/car-pooling/handbook/student>). It is also worth noting that a parking permit does not guarantee a parking bay.

Before completing this form, consider whether it is possible to use alternative travel options to get to and from UWA such as public transport, walking or cycling (<http://www.transport.uwa.edu.au/>). UWA has end of trip facilities for cyclists, bike parking, bike repair stations and even an electric bike shed on its Crawley campus.

If you would prefer to submit an application and believe that you have valid grounds for doing so, please complete this form and submit it to parkingpermit-cm@uwa.edu.au.
